Reserving of seats for students will be done at the Administration building Monday through Thursday, October 18 to 22. The admission price for the alumni and general public for either performance will be 50c, with reservations to be made through the Field Service Office.

Although many organizations are already working hard on their skits, formal rehearsals will be held in the auditorium on Monday and Wednesday of the week the show is to be given.

The Homecoming queen and her attendants will be presented for the first time at the Variety Show on Thursday evening.

The following organizations have entered skits in the Variety Show: Alpha Phi Omega, sponsored by Mr. Myrl D. Long; Alpha Sigma Alpha, sponsored by Mrs. John Mauzey; Phi Sigma Epsilon, sponsored by Mr. William T. Garrett and Mr. H. R. Dieterich; Sigma Sigma Sigma, by Dr. June Cozine; Sigma Tau Gamma, by Dr. John L. Harr, Mr. R. P. Foster, and Mr. George R. Gaylor; Tau Kappa Epsilon, by Mr. Charles L. Johnson and Dr. D. M. Decorations will include appropriate masonite figures carrying out the Homecoming scheme and placed about the campus, green and white flags placed along College Avenue and the entry way to the campus, a large welcome sign at the entrance to the campus and a similar sign between the towers of the Administration building.

Decorations will probably be put up just before Homecoming.

## Assembly

The Rev. Father Sydney MacEwan, celebrated "singing priest" who will present the College assembly program, Friday, October 29, at 10 a. m., has arrived in New York for his first American concert tour.

He was born in Glasgow of an Irish mother and Scots father. Now the parish priest in Lochgilphead, Argyll, he has been called the "finest living singer of Celtic songs." On his last tour of Australia in 1951 he broke all existing box office records, including those established by Dame Nellie Melba and John McCormack.

Dame Nellie Melba is now a familiar name on this campus since the presentation last week of the movie "Melba" by the Tivoli Theater for the benefit of the Student Loan Fund.

For six years Father MacEwan refused all offers to visit the United States, but finally consented to spend his holidays in this country this fall. He will sing twelve concerts under the auspices of the National Arts Foundation, a non-profit organization to increase interest in the arts.

Father MacEwan expects to return to his parish duties in the middle of November.

Associated articles concerning his arrival in New York to begin his tour have appeared in Kansas City and St. Joseph papers.

## Bayless Announces New Co-Chairmen For Queen Contest

John Barrett and Art Buckham have been nominated co-chairmen of the queen contest for the Homecoming committee, according to Frank Bayless, president of the student senate.

Senators appointed to check the bulletin board are Teresa Tobin, Darlene Stamp, J. D. Hammond, and Annie Lou Cowan.

Miss Lois Simons, dean of women, has been elected by the Senate to serve as co-sponsor of the Senate, replacing Miss Rachael Taul. The other co-sponsor of the Senate is Dr. Sterling Surrey.

Discussions have been held on parking problems of the campus, reorganizing a Camera Club, Walkout Day, concession stands at the ball games, homecoming queen regulations, and marking off the center section of stadium for students and faculty.

The Senate has decided to continue the project of giving 10% of the concession rights over to Dean W. H. Brandenburg for support of foreign students.

## Honor and Award to Be Given For Homecoming Participation

Homecoming plans are now in full swing. The committees are organizing and carrying out their duties. Although Homecoming takes much time and effort, there are awards for those who work the hardest.

As in the past, two types of awards will be given. Cash awards and point awards, which will go toward the Homecoming Supremacy Trophy to be given. The organization with the most points will win the Homecoming Supremacy Trophy.

Awards to be given at the Variety Show will include first, second, and third place trophy plaques for the skits. Six points will be awarded first place, five points for second place, four points for third place, three points for fourth place, two points for fifth place and one point for participation.

The parade entries will be divided into two classes, Class A, beauty, and Class B, humor. Prizes will be given in each class.

Cash awards for the parade are as follows: In Class A, the first prize is \$40; second, \$30; third, \$20; fourth, \$10; and fifth, \$5. In Class B, the first prize is \$25; second, \$10; and third, \$5.

A first, second, and third place trophy will be awarded to the winning groups on their overall parade participation. Points for the Supremacy Trophy will be awarded on a 6-5-4-3-2-1 basis for the first five places in parade participation, and 1 point for each group participating in each phase of the parade.

Cash awards will be given for best individual clowns also. First place offers \$10; second, \$7.50; third, \$5.50; fourth, \$2.50; and fifth, \$2.50. The best group of clowns will receive \$15. The best jalopies will be judged on the same basis as the individual clowns.

House decorations are also included in the qualifications for the trophy. Cash awards will be first, \$10; second, \$8; third, \$6; fourth, \$4; and fifth, \$2.50. The Supremacy Cup points will be on a 6-5-4-3-2-1 basis for first, second, third, fourth, fifth, and participation. A first, second, and third place trophy will also be given.

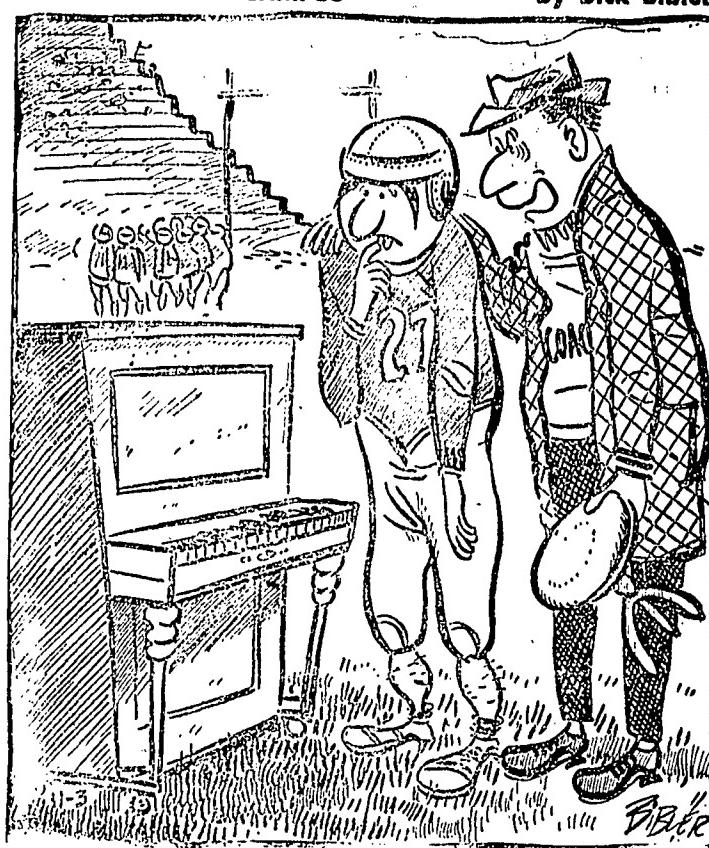

Each organization sponsoring a function for returning alumni will receive one point toward the cups. Participation, spirit, and cooperation are also considered in selecting the winners of the Supremacy Trophy.

## EXAMINATION NOTICE

The English Proficiency Examination will be held in the main auditorium Friday, October 15, at 10 a. m. Bring two pencils!

## LITTLE MAN ON CAMPUS

by Dick Bibler

"I promised you could play during th' last half an' I want you to know I'm a man of my word."

## To the Freshmen:

You have been in college about six weeks. You have had time to learn that there are some differences between high school and college which challenge your abilities. I am assuming that you are here to improve yourself. One of the tests of such improvement will be the success or failure in your class work. Why do some students fail? There have been many studies made of this problem. There are many reasons advanced for student failure. Fortunately these reasons also point to ways of prevention of failure. I wish to suggest a few things that YOU should do that will help YOU.

1. Have a regular STUDY schedule just as you have a class schedule. Make a weekly chart. On this chart have a definite place and time to study each subject. FOLLOW THIS STUDY schedule every day as faithfully as you do your class attendance schedule. You will find it will pay good dividends.

2. Attend classes regularly and make notes of what goes on in class. In your study period review those notes as well as study the advance assignment.

3. Improve your reading and writing abilities. The college has a reading laboratory to help you with reading difficulties. If you really want to improve your reading habits, Miss Smith will be willing to help you. Miss Smith's laboratory is in the Library. You can make an appointment with Miss Smith. Improvement in your reading habits will be of great benefit to you.

Your writing habits are very important also. If you are determined to make good at this business of getting a college education, you will use Freshman English as a means to your success in all your other college work.

There are other things that contribute to success in classroom work: The vocabulary of each subject, the organization of your textbook, (study the INDEX as a means of learning vocabulary), taking part in class discussions, having assignment material in on time, using the Library, etc., etc. I wish to urge you to concentrate on the three items I have listed above. These are things which only you can do that will help you.

J. W. Jones,  
President

## They're Talking About . . .

The weather . . . fall is beginning to set in rather quickly. Leaves on the trees are turning, days getting real brisk out . . . Suede jackets are very prominent on the campus . . . in a variety of colors.

The Harvest Moon Dance . . . those who attended thought it was a real gone evening. Good music, very entertaining program, some eats, and dancing 'til 1 . . . A couple of hep cats in Jack Cole and Jo Ellen Anderson, who really cut a rug jitterbugging.

Suitcase students . . . This is the name given those students who take off for home every Friday evening . . . Perfectly all right if they have to work, or have to go home, but they'll have a good time and get the college spirit a lot sooner if they spend their weekends here on the campus of NWMSC . . . Any one that questions that statement should ask Nancy Karger!

Swimming pool . . . reports are that the water in the college pool is rather cool, cold that is . . . All right for members of the Polar Bear Club, but a little uncomfortable for swimming classes.

Big production coming up November 22, "Arsenic and Old Lace" . . . Those who saw "The Tavern" and "The Glass Menagerie" last year know that we have a treat in store for us, come the 22nd.

Mail call . . . from now on the boys in the quad will have their own individual mail boxes . . . Just like the ones in the post office . . . These new additions were made in the lobby of quad 5 . . . next the boys will be wanting their own private secretaries.

## 11 Years Ago

Eleven students, two men, and nine women, were selected candidates for the 1944 edition of Who's Who Among Students in American Universities and Colleges. Those chosen were as follows: Paul Baldwin, Helen Marie Boyersmith, Elizabeth Ann Davis, J. Luther Dougan, Evelyn Marie Gilliland, Elaine Gorsuch, Emma Ruth Kendall, Barbara Breit Kowitz, Sue Elizabeth Moore, Melba Seitz, Bette G. Townsend.

The social science and speech departments under the sponsorship of Dr. J. Richard Wilmeth, Mr. John Hudin, and Dr. Julian C. Aldrich are conducting a series of discussions upon the topic, "Our Relations with Russia During and After the War." This subject was chosen for broadness of scope and present-day pertinence.

Every morning at 0750, color ceremonies take place at the Administration Building while the band plays "Star Spangled Banner" and "Old Glory."

The importance of sports in wartime can not be over emphasized. The sense of team play and cooperation is needed in combat as well as sports.

Ten members of the Dance Club, accompanied by Miss Winona Carruth, will present a variety program at Fort Leavenworth, Kansas, October 16, for the men stationed there.

President Lamkin reports that the ultimate need for well trained men rather than the immediate need for men to go into combat duty was what was emphasized by the Navy when he recently attended a Navy School held at New York for administrators of universities and colleges in the V-12 program.

## Book Review..

By JAMES JOHNSON

THE ROOSEVELT FAMILY OF SAGAMORE HILL tells an interesting story of Theodore Roosevelt as a family man, who finds time for his wife and children in spite of a busy career, including the presidency.

Herman Hagedorn, the author, has written nine other books about Roosevelt and is considered a leading authority on the life and works of the "Bull Moose."

While this book adds nothing to the record of Roosevelt's career, it presents family life at the beginning of the century as practiced by a proponent of the strenuous life. It makes interesting reading.

## Tau Talk

Interest runs high in the new intramural program as the Taus take their two opening games in touch football. The old rivalry between the Sig Taus and the Phi Sigs made itself manifest again Thursday as the Taus were barely able to slip by the Phi Sigs by a score of 7 to 6. On a lucky play in the first quarter Barrett connected with Bayless on a pass play for the touch down. The conversion was blocked by the Tau team.

It was a close give and take contest until the last quarter of the game, when, with two minutes to go, Jack Spence put one into the arms of Duane Freeman for the tying touchdown. The winning conversion point came from a short toss from Spence to Weldon Dowden. Saturday's hero, Paul Clark sustained minor injuries in the game and had to be taken out in the third quarter. Coach Larry Jones said that Clark would be ready for next week's game.

Coach Jones was very much pleased with the fighting Tau team. He said that he would use a modified version of the S. M. U. spread, which he used in last Thursday's game, in order to better his passing attack.

The second game was taken by the Taus from the Independent Club since its team failed to show up.

Bob Colville, one of the harder working Taus, has enlisted in the Navy as an aviation cadet. Bob was in his junior year of college work. He will take his boot and flight training at the Pensacola Naval Air Academy in Florida.

Ronnie O'dell pulled ligaments in his knee during a Bearcat practice session and will be out of action for some time. All the Taus are eager to see Ron in action for the Bearcats again and are doing everything from applying packs to his injured knee to singing "Daddy Get Your Baby Out of Jail" in barber shop harmony.

Coach Larry Jones would like to see anyone who is interested in playing tennis in the intramural program for the Taus. He says competition will be keen and everyone should get a chance to play. Also anyone interested in

football is welcome to sign the Tau team. Team names posted at the Tau Quad board and also on the bulletin board at the Administration building.

Preparations for the homecoming skit are progressing steadily under the capable chairmanship of Melvin Colthier. It looks like we may have a winner again this year.

**THE STROLLER**

The new theme song of R. could only be connected with. Why did you come to college. and after you catch him, how you keep him?

From the speech department. The first major speeches of the year. Proof. Knocking knees, tongue swallowing . . . If you the nervous type and are sensitive to hearing chattering teeth and chewing pencils, then racing may be the cure for you.

Teachers CAN cook! This startling discovery came to light at the AAUP pot luck supper attended by approximately thirty faculty members Monday night. A special yummy chocolate-nut cake took top honors in the dessert line. Dr. Dreps would no doubt contribute the recipe, to any you who have a taste for the fine things in life.

Parking, parking, parking . . . regardless of case. The Strollers has dreams of parking lots descending from outer space, one folded up and tucked away on Mars to be brought down earth when needed.

Giggles heard from third floor . . . Just a bit of statistical evidence from Mr. Mulford passed on to his social science classes . . . Harvard graduates have 1.9 children . . . Vassar graduates have 2.26 children . . . which all goes to prove women have more children than men.

Number 23, 86, 15, xyz. You family gives you a simple family name like Isajohannile, which takes you seventeen years to learn. Then off to college where you are at once given a number in every class. It's your name from now on. Just another modern teaching technique.

Have you seen the Vet's Village postoffice, complete with box combination locks, and all?

## F. T. A.

The first meeting of the year the F. T. A. was held Sept. 20 at the Lakeview Room at which time the following officers were elected: Kathryn Smith, president; Gwen Grove, vice president; Dorothy Ellers, secretary; Monte Adams, treasurer; Bob Sawhill, librarian.

Plans for the year were discussed as well as plans for the teachers meeting, Oct. 8. All members and interested students are invited to attend the next meeting tonight in the Lakeview Room.

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred traditions of the College. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

How can the unaffiliated student help in Homecoming?

**President J. W. Jones**—The unaffiliated student can help in Homecoming by offering his services by name and the type of work he would like to do to Dr. John Harr or Earl Bridgewater. I believe most students can see these things to be done and all they need to do is turn to and help get them done.

**Jean Mulvania**—By their attitude. If they show excitement and anticipation, they can relate the right spirit to others.

**Hank Voss**—He might help friends who belong to social organizations or professional clubs.

**Barbara Boyd**—Attend the game and keep up the school spirit by put this festivity over could sign yelling. He might play in the band them.

**Janet McCiard**—Almost everyone belongs to some professional organization on campus which will need his help very much.

**Russell Hogsett**—Any organization which needs help could have representatives at the orientation meetings and ask for volunteers to help and explain the type of work to be done. Notices of work to be done could be posted on the bulletin board and students willing to help put this festivity over could sign them.

Plans were discussed for forming new colonies of Phi Sigma Epsilon throughout the state and surrounding states. A committee was appointed to take care of helping groups in different colleges get started.

The alumni banquet will be held Saturday noon before the homecoming game. This will give the alums a chance to see the Bearcats in action and enjoy a pleasant day at their old alma mater.

Mr. W. T. Garrett and Dr. J. G. Strong have offered their cars as jalopies. The cars are all of two years old and would be good jalopies if they will run around the parade route.

## Green and White to Injuries Take Toll Invade Rolla Camp

The big Green and White gridders journey to the camp of the Rolla Miners Saturday, October 16, seeking their first conference victory. Coach Milner and his assistants have been dishing out rugged and long sessions this week in hope of bringing the Cats through to victory. The Milnerites will be after their second conquest of the Miners since 1942.

Last year the Bearcats tripped the Miners 12-7 and will be out to do the trick again. The only serious injury from the Kirksville game was Ono Monachino who suffered a knocked down right shoulder.

With the hustle and courage the big Green and White displayed in their first four contests a victory by the Cats would come as no surprise.

## Plans Are Complete For Annual Pep Rally

Plans for the 1954 homecoming pep rally have been made. On Thursday evening, October 21, following the homecoming skits scheduled for 7:45, a pep rally will be held in the parking grounds south of the Main Gymnasium.

A huge bonfire will be the center of attraction. A program has been planned with Jack Spence acting as M. C. and cheering will be led by the Bearcat cheerleaders. Introduction of the coaches and players will serve as a conclusion to the program.

To get the vital spirit that is needed for a successful Homecoming, everyone should be at the pep rally.

## Intramural Sidelights

Intramural football is now in full swing, this being the third week of competition. The Teke parade being held the week before homecoming day? The second reason is we don't want to cause any life that's when it's going to be."

"There are several reasons why we are continuing this tradition. Whoever heard of a homecoming week of competition. The Teke team looks impressive, having a sound offense and defense, and will be a heavy favorite for the championship. The dark horse in the race is the Sigma Tau Gamma squad which, if inspired, could go all the way and grab the championship cup.

The Phi Sig white team could get its offensive gear rolling and rade.) upset the entire standings. The Independents are not organized as could be, yet they have formed a good football team and have the capabilities of handing any of the other squads a defeat.

The spirit of intramurals as a whole seems greater than a year ago at this time. However, this is only the third week of competition, and there are many more to go. Basketball is just around the corner so all of you intramural leaders start thinking about basketball and get your roster completed. Turn it in to Dr. Peterson.

## MONACHINO SUFFERS SHOULDER INJURY

Ono Monachino, senior end from Elba, N. Y., received a shoulder separation in the Kirksville game and is out of action for an indefinite period. His loss will be a severe one to the Bearcat grid squad. Monachino was a stalwart performer on both defense and offense.

## Bulldogs Squeeze Past Cats, 24-20

An up and down Bearcat squad lost a heart breaker to the Kirksville Bulldogs last Friday night here at Memorial Stadium by the score of 24-20. The clash between the Bearcats and Bulldogs was an offensive show for the first half with 38 of the 44 points being scored.

The Bulldogs, winning the toss, elected to receive, taking the ball on their own 31 after the kickoff. On the first play from scrimmage, R. H. B. Austin broke away for 69 yds. and a touchdown to put the Bulldogs in front 6-0. The Bulldogs kicked off to the Cats and each had a series of plays that were stymied by the defense.

Maryville took over on the Bulldog 41, a pass from Bill Baldwin to Ono Monachino complete, then a lateral from Monachino to Walker, resulted in a T D., and Walker booted the extra point true. The Cats led 7-6. That is the story for the first half, it being an offensive show with the half ending, the Cats on the big end of a 20-18 score.

The second half was entirely different, a defensive game, with the Bulldogs cashing in on a desperation pass to score the deciding marker, with five minutes left in the final stanza. The Cat rally was stopped short when the Cats lost the ball on downs on the Bulldog 29 yd. line.

On the defense Mark Burns turned in his usual steady game and Red Walker and Ono Monachino gave fine accounts of themselves at defensive ends with Monachino throwing the Bulldogs for 13 yds. negative on two successive plays. Pass defense on the whole was above par. Hutchings, Gillett, Schenkel, Hague, and Messbarger turned in sound defensive games.

On the offense the line worked well with Baldwin being the workhorse in the backfield. Darrel Walker and Micky Mallen looked very sharp on the offensive.

The game was truly a heart-breaker for the "Never say die" Cats.
